

The Heritage Network
Board of Directors
August 16, 2021

The meeting was called to order by Joe at 9:30 AM at the SCHS museum.

Present: Sue Richart, Bill Sebright, Rose Kasamerides, Joe Barreca, and Janet Thomas

Financial Report: Treasurer Sue presented the final report.

Next meeting: The meeting was tentatively scheduled for Northport with Colville as the backup.

Minutes of the last meeting: A correction was made in addition to some technical corrections already made by Sue. Bill moved and Rose seconded a motion to approve the minutes as corrected/ Motion carried.

Fort Colville Project: Joe has been reading book on the subject. Janet proposed that we begin gathering photographs on the subject. She suggested Sue be in charge of it and she (Janet) would be her assistant. Sue will think it over.

Joe is reworking his prospectus on the project after he has made many contact and read a lot of material on the subject.

Crossroads: Joe is working with Scott to move Crossroads to another server. Joe will tell Scott to make the new server the location of the official website. Some details still remain.

Folding Map: Just after the last meeting Joe prepared an application for Lodging Tax from the County. He will submit it later today.

Historic Colville Indian Agency: Charlie surfaced the original plans for the site done by Jan Bodie. It will be used as the basis for the next phase of the work.

The dating results should be received soon. August was the time frame that it should be finished.

Sue, her husband, and a young man from Chewelah did a large weed whacking project and hauled it away.

Research Updates: Sue got information on a photograph,

She is still working on digitizing the commissioner journals. She has also printed some pages she had digitized and translated/

Around the table:

Clayton/Deer Park: The artifacts expected were received. There were lots of good photographs. Some are of the Brickworks. They are expecting artifacts from another family. Among the items received was an old Campfire girl dress.

Northport: The National Guard came and the siding taken down and replaced. The shingle siding worked on. They reworked the electrical and insulation. In the wall they found a 1902 newspaper.

Next year more electrical and outside work will be done.

The chimney is gone and now the space is the channel for the HVAC.

The windows are being replaced with exact replicas

The Labor Day event will be held this year and the house will be open.

An ADA deck off the back will be finished next year. Crazy expensive wood prices are causing problems.

SCHS: There will be no Christmas tour this year. It will be lit up again.

The museum is still open following Covid protocols, and masks are required.

The large artifact collection received is being prepared for display.

There has been a lot of visitation in spite of Covid and short hours.

Note: Some members were not in attendance because of the serious forest fire activity in the county.

Meeting Adjourned at 11:00 AM
